# ABOUT US

SAP Global Logistics was founded by a group of passionate professionals with a vision to build a trusted, knowledge-driven, and value-based organization in the field of customs clearance and advisory services. In just five years, we've grown into one of India's leading licensed Custom House Agencies, known for our integrity, transparency, and expertise. We have our own CHA license and are AEO registered.

With offices in key locations across the country, we offer a full range of logistics solutions – from customs clearance and bonded warehousing to international freight forwarding, transportation, and project cargo. What sets us apart is our focus on value-added services that go beyond traditional brokerage, helping our clients achieve cost-effective, high-quality logistics outcomes
